STATE COMPETITION – IDENTIFICATION NUMBERS

Following receipt of team registration for state competition, each team is assigned a team number (1-50) that becomes a part of each decathlete's identification number on his/her name badge. Each member of the decathlon team is also assigned a number (1-9). The three Honors team members are assigned the numbers 1, 2 and 3. The three Scholastic team members are assigned the numbers 4, 5 and 6. The three Varsity team members are assigned 7, 8 and 9. The complete identification number for each decathlete has two parts; the team number followed by the student number for that team.

For example: Richmond County may be assigned a team number of #18. John Doe, who is a Scholastic team member may be assigned #5 for his team. John Doe's identification number is #18-5.

This unique identification number is used throughout the competition on all test answer forms, for Super Quiz Relay scoring, and for Speech, Interview and Essay judging forms.

On the sample schedule on the following page, judging teams are identified in the column on the right (Team A, B, C, etc.). The numbers inside the grid are the assigned student identification numbers for each decathlete. This sample schedule shows the time each decathlon team is scheduled to report to the assigned judging teams for Speech and for Interview. You can see that decathlete #5 on team #11 (Identification #11-5) should report for Interview at 7:20 pm and Speech at 8:00 pm. At the state competition, the rooms where Speech and Interview take place will be identified by the judging team letter (A, B, C, etc.) and a color. Student volunteers will escort decathletes from the Interview and Speech holding areas to the scheduled competition room.
